

SwissNOS Meeting 2025
 "Advances and controversies in Neuro-Oncology"
 Lausanne, April 11th 2025

09:30 - 10:00 **Registration & coffee**

10:00 - 10:10 Welcome

Th. Hundsberger, A. Hottinger,
M. Oddo

Imaging in Neuro-oncology

Chair: R. Stupp, A. Bink

10:10 - 10:30 Keynote: AI in Neuro-oncology

J. Richiardi CHUV, Lausanne

10:30 - 10:50 2HG spectroscopy in LGG

P. Radojewski, Inselspital, Bern

Immunotherapy

Chair: M. Hegi, M. Neidert

10:50 - 11:15 Keynote: A critical review of immunotherapy approaches in neuro-oncology

M. Weller, USZ Zürich

11:15 - 11:55 Swiss approaches in immunotherapy (8 min talks)

- G. Hutter (USB, Basel)
- T. Weiss (USZ, Zürich)
- D. Migliorini (HUG, Geneva)
- B. Gentner (CHUV, Lausanne)

Short break

Tumor microenvironment

Chair: A. Hottinger

11:55 - 12:20 Keynote: TME in GBM what we know, what we need to know J. Joyce, CHUV, Lausanne

CNS metastases

Chair: G. Pesce, E. Le Rhun

12:20 - 12:35 Extent of resection in brain metastases S. Voglis, USZ, Zürich
12:35 - 12:50 New challenges in brain metastasis RT: multiple re-irradiations, proton therapy... L. Schiappacasse, CHUV, Lausanne
12:50 - 13:05 Update on medical approaches for neuro-oncologists H. Läubli, USB, Basel

13:05 - 14:00 Lunch

The clinical trial landscape in neuro-oncology

Chair: M. Weller, D. Migliorini

14:00 - 14:10 Ongoing trials in Switzerland Th. Hundsberger, HOCH-NL, St Gallen
14:10 - 14:20 EORTC clinical trials E. Le Rhun, USZ, Zürich

Palliative Care

Chair: Th. Hundsberger, B. Muoio

14:20 - 14:45 Keynote: Current & future needs of palliative care in neuro-oncology C. Hertler, USZ, Zürich

Targeted therapies in neuro-oncology (8 min talks)

Chair: H. Läubli, A. Hottinger

14:45 - 15:30

- BRAF: B. Thiele (USB, Basel)
- NTRK fusions: B. Muoio (IOSI, Bellinzona)
- EGFR pathway: K. Seystahl (LUKS, Luzern)
- MEK 1/2 inhibition: P. Roth (USZ, Zürich)

Neurosurgery

Chair: G. Hutter, Ph. Schucht, C. Serra

15:30 - 15:50 Keynote: Novel approaches in neurosurgery R. Stupp, Northwestern, Chicago
15:50 - 16:05 Extent of resection as a prognostic factor in GBM Ph. Schucht, Inselspital, Bern

Excellence in Swiss Neuro-oncology

Chair: E. Le Rhun, K. Seystahl

16:15 - 16:40 3 best articles of 2024
Prize 1 TBC
Prize 2 TBC
Prize 3 TBC

Rare CNS tumors session: the essentials in 8 slides (8 min talks)

Chairs: Th. Hundsberger / C. Serra

16:40 - 17:30 Medulloblastoma M. Brown, USZ, Zürich
Ependymoma Ph. Schucht, Inselspital, Bern
Hemangioblastoma D. Gramatzki, USZ, Zürich
Pleomorphic xanthoastrocytoma B. Moura, Fribourg
Brainstem glioma in adults F. Marchi, Lugano

17:30 Closing remarks Th. Hundsberger, A. Hottinger

Excellence in Swiss-Neuro-oncology:

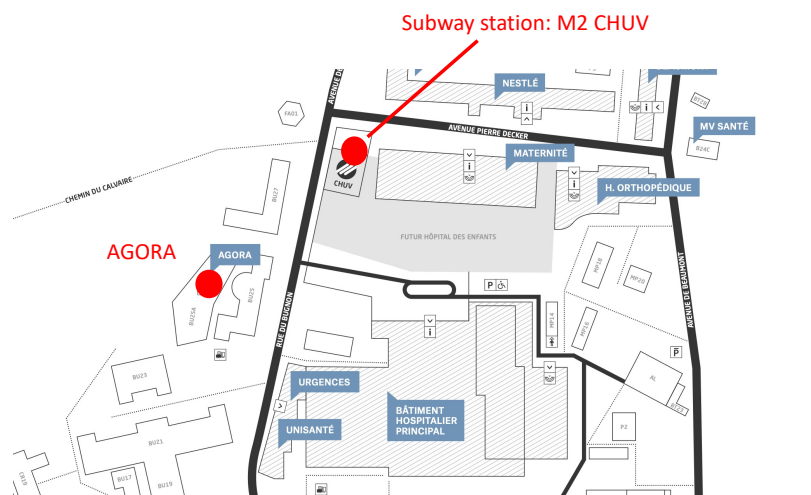

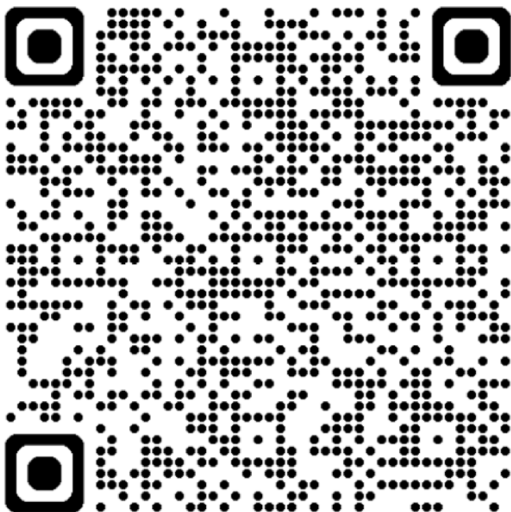

This year, SwissNOS will grant 3 prizes that aim to recognize 3 outstanding publications that were accepted for publication in 2024. We invite all participants to submit their approved manuscripts to the Jury by Friday March 14th. The 3 selected manuscripts will be presented by their author during the meeting.

Please send your manuscript(s) in PDF format to: frederique.landuyt@chuv.ch with the object: SwissNOS Prize.

Registration:

Please register here:
